ON COURSE FOR AN EXCEPTIONAL JOURNEY

Dream locations off the beaten track, new cultures and close encounters with the wonders of Nature – these are the privileges we can offer thanks to the size and technical capabilities of the ships belonging to COMPAGNIE DU PONANT.

Exotic islands, secret coves, Antarctic's majestic glaciers, unique encounters with whales, and the gateway to Amazon... also Spitzbergen, Madagascar, Greenland, India, the Maldives, Seychelles or Iceland – let Compagnie du Ponant take you on an incredible voyage of discovery to these fascinating places and more!

Exceptional moments in enchanting locations
A unique and moving travel experience

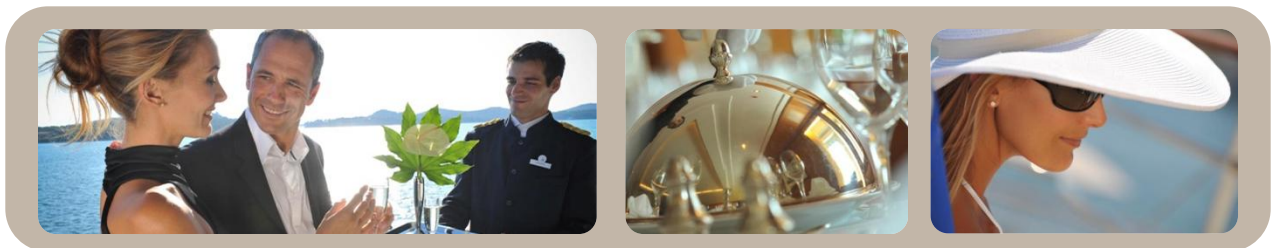

SMALL SCALE INTIMATE YACHTS

Being on board one of our ships is like being on a private yacht. Having fewer staterooms and suites maintains an intimate environment, enhanced by imaginative decor employing superior materials and soothing harmonious tones: chic yet casual.

A professional and discreet service is assured from our highly experienced crew.

RESPECT FOR THE ENVIRONMENT

Reducing our impact on the environment is a priority - from the thoughtfully selected itineraries, to cruising under sail with Le Ponant, or using eco-friendly hull coatings, to respecting local people and raising awareness among passengers and crew. It is a tradition Le Boréal and L'Austral will carry forward with the international "Green Ship" label.

Compagnie du Ponant itself is a member of La Charte Bleue d'Armateurs de France, requiring ship owners to protect marine and coastal environments. It also belongs to the IAATO (International Association of Antarctic Tour Operators), committed to responsible behavior to safeguard the flora and fauna.

LE BORÉAL AND L'AUSTRAL

LE BORÉAL (May 2010) and L'AUSTRAL (April 2011)
A Yacht like no other

The Yachts

With an innovative design, slender shape and exceptional interiors, French designers have combined a warm and intimate atmosphere to create a unique signature style for these two "sister-ships".

Everything has been done to preserve the individuality of each guest to suit their personal tastes: lounges for lectures and shows, a spa in partnership with Carita™, and more intimate spaces such as the library and internet corner. Comfortable cabins, most with private balcony, are available for families either as triples or as adjoining staterooms. There is also a games area with Wii™ consoles, children's menus, and a baby-sitting service.

LE BORÉAL has been awarded by a Gold Medal the European Cruiser Association in the « Best Newcomer of the year 2010 » category, for her elegance, personality and innovative equipment.

LE BORÉAL AND L'AUSTRAL

Le Boréal and L'Austral are equipped with eco-friendly features such as:

- dynamic positioning, so there is no need to drop anchor, thereby protecting the seabed
- optical underwater detection system, to avoid collisions with whales and other sea life
- electric propulsion system: quiet and economic
- diesel engines using MDO (Marine Diesel Oil): lighter and more environmentally friendly
- waste and sewage treatment on board
- low energy bulbs for lighting
- reduced exhaust emissions, etc.
